### COVID-19 Patient Screen

**To be completed prior to each PT session**

<b>Are you or anyone in your household experiencing ...</b>	<b>Yes</b>	<b>No</b>
Fever (100.4° or higher)		
Cough		
Shortness of breath		
Sore throat		
New loss of smell or taste		
Body aches		
Nausea, vomiting, diarrhea		
In the past 14 days, have you been in close proximity (6 ft or closer for at least 15 minutes over a 24 hour period) to anyone experiencing the above symptoms?		
In the past 14 days, have you been in close proximity (6 ft or closer for at least 15 minutes over a 24 hour period) to anyone who has tested positive for COVID-19?		
Have you been tested for COVID-19 and are waiting to receive test results?		
Have you tested positive for COVID-19 or are you presumptively positive for COVID-19 based on your healthcare provider's assessment or your symptoms?		
In the past 14 days, have you been on a commercial flight or traveled outside of the United States?		

If you answer “yes” to any of the above questions, contact your PT as early as possible prior to your appointment. Contact your primary care physician if you have not already done so. Avoid contact with others. Your therapist will confer with the STEP UP administrators to discuss resuming your care.
